

# Important Sale Notices

**Payment:** Subject to the note below regarding money laundering, payment will be taken in the form of cash, cheque, debit or credit card (credit card payments attract a fee of 2% + VAT). Cheque payments will be required to clear before purchased lots will be released unless by prior arrangement with the Auctioneer.

**Money Laundering Regulations 2003:** As a consequence of these regulations we cannot accept cash payments for sums in excess of £7,500. This includes single transactions of this amount and multiple transactions totalling this amount.

**Licences:** Sporting guns and firearms will only be released to the purchaser on production of a valid Shotgun or Firearms Certificate, and in the case of firearms, the appropriate authority to acquire or with prior arrangement for delivery to an RFD. Overseas Certificates are not valid in the UK.

**Cartridges:** Will only be released to the purchaser on production of a valid shotgun certificate.

**Release of Guns to Purchasers:** Upon cleared payment guns will be released on the day of the sale and thereafter by **appointment only** during office hours from the saleroom.

**Packing & Dispatch:** For an appropriate fee Byrne's are happy to pack and post lots (including guns to an RFD only) upon the receipt of a disclaimer and once payment has cleared. Any fees levied by the receiving RFD are payable by the purchaser and should be arranged prior to shipping.

**Proof & Condition:** The descriptions provided in this and online catalogues are restricted to external examinations only and the status of proof. Firearms are sold in proof unless otherwise stated in the description. It is recommended that any purchased lot be stripped and cleaned and that safety and firing mechanisms are checked by a qualified gunsmith prior to use.

**Conditions of Sale:** Your attention is drawn to the Conditions of sale printed at the back of this catalogue.

**Condition:** Catalogue descriptions are NOT intended as a guide to condition. The Auctioneers are pleased to provide condition reports upon request but stress the importance of physical inspection of lots by potential purchasers.

**Images:** Images reproduced in this catalogue and in online catalogues are for reference only and should not be relied upon for the accurate representation of colour, size or condition.

**Clearance of lots:** Lots must be paid for and cleared within one week of the sale. Uncleared lots will be removed into storage at Byrne's convenience, and a handling and storage fee of £2/lot per day will be levied.
